

Our work goes well beyond taxes and financial statements.

May we also help you with
H2R CPA consulting services?

For Businesses

BUSINESS VALUATION - determining the value of a business, estate, stock options and more

OUTSOURCED CFO - a practical alternative to in-house financial expertise

TRANSACTION ADVISORY - assistance with buying, selling, mergers & acquisitions of businesses

SUCCESSION PLANNING - strategic guidance throughout the entire ownership change process

AUTOMATED PAYROLL PROCESSING - including employee self-service and time clock integration

For Individuals

ESTATE PLANNING - review of wills, powers of attorney, trusts, life insurance, gifting and generational transfers to optimize financial security

WEALTH MANAGEMENT - investment, life insurance and social security review and strategy

LITIGATION SUPPORT - assisting counsel and their clients going through divorce and marital disputes

ESTATE ADMINISTRATION - handling all tax and accounting related processes required upon an individual's death
